

# OPTONICA

## DATASHEET

### LED Стенен Осветител Кръгъл Сиво Тяло

Power

6W

Light color

Топла  
светлина

## Technical Specification

|                                          |                 |                         |                |
|------------------------------------------|-----------------|-------------------------|----------------|
| Brand                                    | Optonica        | Energy Efficiency Label | E              |
| Dimmable                                 | No              | Power Factor            | 0.9            |
| Input voltage                            | AC220-240V      | Items per box           | 20             |
| Items per pack                           | 1               | IP                      | 54             |
| Life span                                | 25 000 Hours    | FLUX per watt           | 110lm/W        |
| Lumen maintenance at end of service life | 70%             | Beam angle              | 90°            |
| On/Off Cycles                            | 25 000x         | Flux                    | 660 lm         |
| Operating Frequency                      | 50-60Hz         | Size of package         | 115x115x115 mm |
| Temperature                              | -30°C / +50°C   | Wattage Equivalent      | 44W            |
| Warranty                                 | 2 Years         | Body Color              | Grey           |
| Color Code                               | 830             | Color Of The Shell      | Grey           |
| Correlated Color Temperature             | 3000K           | LED Type                | Cree           |
| Instant On                               | 0.1s            | Size of product         | φ110 mm        |
| Color Designation                        | Warm White (WW) | Product Code            | WL6-A5         |
| Material                                 | Aluminium       | Weight of Product       | 705 gr.        |
| Energy Consumption                       | 6 kWh/1000h     | EAN Code                | 3800156674950  |
| Power                                    | 6W              | Light Color             | Топла светлина |
