

# OPTONICA

## DATASHEET

### LED Осветително тяло Allstar

Power

12W

Light color

Неутрална  
светлина

### Technical Specification

|                                          |                    |                    |                    |
|------------------------------------------|--------------------|--------------------|--------------------|
| Beam angle                               | 120°               | Energy Consumption | 12 kWh/1000h       |
| Brand                                    | Optonica           | Power              | 12W                |
| Dimmable                                 | No                 | Items per box      | 20                 |
| Items per pack                           | 1                  | Life span          | 25000h             |
| Lumen maintenance at end of service life | 70%                | Flux               | 880 lm             |
| On/Off Cycles                            | 25 000x            | Instant On         | 0.1 s              |
| Operating Frequency                      | 50-60Hz            | IP                 | IP20               |
| Ra ≥                                     | 80                 | Product Code       | DL12-B1            |
| Temperature                              | -30°C / +50°C      | FLUX per watt      | 73 Lm/W            |
| Warranty                                 | 2 Years            | Size of Box        | 510x510x780 mm     |
| Energy Efficiency Label                  | F                  | Size of package    | 265x66x265 mm      |
| Input voltage                            | AC175-265V         | Size of product    | Φ230x65 mm         |
| Color Code                               | 845                | EAN Code           | 3800156628502      |
| Color Designation                        | Neutral White (NW) | Weight of Product  | 437 gr.            |
| Correlated Color Temperature             | 4500K              | Light Color        | Неутрална светлина |
