

### LED Wall Light Grey Body Square

Power

6W

Light color

Neutralweiß

### Technical Specification

|                                          |                    |                         |                   |
|------------------------------------------|--------------------|-------------------------|-------------------|
| Brand                                    | Optonica           | Energy Efficiency Label | E                 |
| Dimmable                                 | No                 | Power Factor            | 0.9               |
| Input voltage                            | AC220-240V         | Items per box           | 20                |
| Items per pack                           | 1                  | IP                      | 54                |
| Life span                                | 25 000 Hours       | FLUX per watt           | 110lm/W           |
| Lumen maintenance at end of service life | 70%                | Beam angle              | Adjustable 0°-90° |
| On/Off Cycles                            | 25 000x            | Flux                    | 660 lm            |
| Operating Frequency                      | 50-60Hz            | LED Type                | Epistar           |
| Temperature                              | -30°C / +50°C      | Size of package         | 115x115x115 mm    |
| Warranty                                 | 2 Years            | Size of product         | 100x100x100 mm    |
| Color Code                               | 840                | Product Code            | WL6-A1            |
| Correlated Color Temperature             | 4000K              | Wattage Equivalent      | 44W               |
| Instant On                               | 0.1s               | Weight of Product       | 675 gr.           |
| Color Designation                        | Neutral White (NW) | Body Color              | Grey              |
| Material                                 | Aluminium          | Color Of The Shell      | Grey              |
| Energy Consumption                       | 6 kWh/1000h        | EAN Code                | 3800156674561     |
| Power                                    | 6W                 | Light Color             | Neutralweiß       |
