

LED Bombilla De Plástico G120 E27

Power

15W

Light color

Blanco cálido

Technical Specification

|                                          |                   |
|------------------------------------------|-------------------|
| Brand                                    | Optonica          |
| Dimmable                                 | No                |
| IP                                       | 20                |
| Items per pack                           | 1                 |
| Life span                                | 25 000 Hours      |
| Lumen maintenance at end of service life | 70%               |
| On/Off Cycles                            | 25 000x           |
| Operating Frequency                      | 50-60Hz           |
| Ra ≥                                     | 80                |
| Temperature                              | -30°C / +50°C     |
| Warranty                                 | 2 Years           |
| Beam angle                               | 270°              |
| Energy Efficiency Label                  | F                 |
| Input voltage                            | AC175-265V        |
| Material                                 | Plastic+Aluminium |
| Power Factor                             | 0.5               |

|                              |                |
|------------------------------|----------------|
| Correlated Color Temperature | 2700K          |
| Instant On                   | 0.2s           |
| Color Code                   | 827            |
| Size of Box                  | 530x275x145 mm |
| Items per box                | 50             |
| Product Code                 | SP15-A6        |
| Energy Consumption           | 15 kWh/1000h   |
| Power                        | 15W            |
| Power LED                    | 15W            |
| Flux                         | 1320 lm        |
| Size of package              | 160x125x125 mm |
| Wattage Equivalent           | 90W            |
| Weight of Product            | 235 gr.        |
| Size of product              | 120x155 mm     |
| EAN Code                     | 3800156618473  |
| FLUX per watt                | 85lm/W         |

|                   |                 |             |               |
|-------------------|-----------------|-------------|---------------|
| Socket            | E27             | Light Color | Blanco cálido |
| Color Designation | Warm White (WW) |             |               |
