

### Luz De Riel Magnética LED

Power

20W

Light color

Blanco cálido

## Technical Specification

|                                          |                 |
|------------------------------------------|-----------------|
| Brand                                    | Optonica        |
| Dimmable                                 | No              |
| Items per pack                           | 1               |
| Lumen maintenance at end of service life | 70%             |
| Warranty                                 | 2 Years         |
| Correlated Color Temperature             | 3000K           |
| Energy Efficiency Label                  | F               |
| Color Designation                        | Warm White (WW) |
| FLUX per watt                            | 80lm/W          |
| Wattage Equivalent                       | 100W            |
| Energy Consumption                       | 20 kWh/1000h    |
| Power                                    | 20W             |
| Items per box                            | 20              |
| On/Off Cycles                            | 100 000x        |
| Flux                                     | 1600 lm         |
| Ra ≥                                     | 90              |

|                     |                |
|---------------------|----------------|
| Instant On          | 0.1 s          |
| Temperature         | -20°C/ +40°C   |
| IP                  | IP20           |
| Power LED           | 20W            |
| Beam angle          | 15°            |
| Input voltage       | DC48V          |
| Operating Frequency | 50 Hz          |
| Product Code        | LN20-A4        |
| Material            | PC+ALU         |
| Color Code          | 930            |
| Size of Box         | 470x350x400 mm |
| Size of product     | φ65x130 mm     |
| EAN Code            | 3800156653467  |
| Size of package     | 210x155x75 mm  |
| Weight of Product   | 555 gr.        |
| Light Color         | Blanco cálido  |

Life span

25000h
