### 120SMD/m 9W/m LED Streifen 20m

Image not found or type unknown

Power

9W/m

Light color

Kaltweiß

## Technical Specification

|                                          |              |
|------------------------------------------|--------------|
| Beam angle                               | 120°         |
| Brand                                    | Optonica     |
| Correlated Color Temperature             | 6000K        |
| IP                                       | 20           |
| Life span                                | 25 000 Hours |
| Lumen maintenance at end of service life | 70%          |
| On/Off Cycles                            | 25 000x      |
| Warranty                                 | 2 Years      |
| Dimmable                                 | Yes          |
| Energy Efficiency Label                  | E            |
| Energy Consumption                       | 9 kWh/1000h  |
| LED Type                                 | SMD          |

|                     |               |
|---------------------|---------------|
| Material            | Flex PCB      |
| Product Code        | ST2835-A3     |
| Instant On          | 0.1 s         |
| Flux                | 1000 lm/m     |
| Color Designation   | White Light   |
| Operating Frequency | 50-60 Hz      |
| Power               | 9W/m          |
| Input voltage       | DC 24V        |
| Size of product     | 8x2.5 mm      |
| EAN Code            | 3800156648654 |
| Roll                | 20 m          |
| Light Color         | Kaltweiß      |
