

Infrared Thermometer Non Contact 1 Second

Light color

No color

Technical Specification

Warranty	2 Years	Unit	°C
Measuring distance	2-5 cm	Electric quantity display	Low battery prompt
Measuring range	32°C-42.9°C	Automatic shutdown	Automatic shutdown without operation within 20 second
Measurement accuracy	+/-0.3°C	Size of product	70x38x143 mm
Display resolution	0.1°C	Size of package	125x54x195 mm
Storage ambient temperature	25°C-55° RH<90% (Non condensing condition)	Weight of Product	77.5 gr
Operating ambient temperature	10°C-40° RH<85% (Non condensing condition)	Measurement	Body and surface
Power supply	DC1.5*2 (2AAA7#)	Light Color	No color
