

### LED Magnetic Track Light M20 6 Heads

Power

6W

Light color

Warm white

## Technical Specification

|                                          |                 |
|------------------------------------------|-----------------|
| Brand                                    | Optonica        |
| Dimmable                                 | No              |
| Items per pack                           | 1               |
| Lumen maintenance at end of service life | 70%             |
| Ra ≥                                     | 80              |
| Warranty                                 | 2 Years         |
| Color Code                               | 830             |
| Correlated Color Temperature             | 3000K           |
| Energy Efficiency Label                  | F               |
| Color Designation                        | Warm White (WW) |
| FLUX per watt                            | 80lm/W          |
| Flux                                     | 480 lm          |
| Power                                    | 6W              |
| Power LED                                | 6W              |
| Wattage Equivalent                       | 40W             |

|                     |               |
|---------------------|---------------|
| On/Off Cycles       | 100 000x      |
| Beam angle          | 24°           |
| Life span           | 25000h        |
| Instant On          | 0.1 s         |
| Temperature         | -20°C/ +40°C  |
| IP                  | IP20          |
| Operating Frequency | 50 Hz         |
| Material            | PC+ALU        |
| Product Code        | LN6-A4        |
| Input voltage       | DC: 48V       |
| Items per box       | 144           |
| Size of product     | 112x22x45 mm  |
| EAN Code            | 3800156653122 |
| Light Color         | Warm white    |
