5-Steps Water Cleaning Systems

Power

28.8W

Light color

None

Technical Specification

Brand	Optonica	Capacity of water tank	12 l
Warranty	2 Years	Protection Class	Type II
Description	Reverse osmosis technology is used for water purification through a filtration system and permeable...	Max TPS of feed water	<1000PPM
EAN Code	3800156607163	Max GPD	190 l
Feed water temperature	5-45°	Ways of flush	Manual or auto
Rated voltage	AC220V 50Hz	Water pressure	0.15 - 0.4MPa
Power	28.8W	Light Color	None
