

### LED Módulo Para Monitor Interior Full Color P5

Light color

Ninguna

#### Technical Specification

|                   |              |               |               |
|-------------------|--------------|---------------|---------------|
| Brand             | Optonica     | Temperature   | -20°C / +50°C |
| IP                | 20           | Drive mode    | 1/16 Scan     |
| Warranty          | 2 Years      | Module pixels | 64x32 Pixels  |
| Beam angle        | 150°         | Module Power  | 17W           |
| Weight of Product | 200 gr.      | Module size   | 320x160 mm    |
| Body Color        | Black        | Pixel pitch   | 5 mm          |
| Input voltage     | DC 5V        | Product Code  | DS5-A1        |
| Brightness        | 1100 cd/m2   | EAN Code      | 3800156606029 |
| Pixel composition | SMD 3in1 RGB | Light Color   | Ninguna       |
| Refresh rate      | 1920Hz       |               |               |
