

# OPTONICA

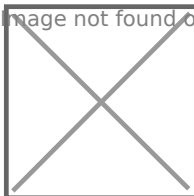

## DATASHEET

Image not found or type unknown

### Farola De LED

Image not found or type unknown

Power

20W

Light color

Luz blanca

## Technical Specification

|                                          |                  |                    |               |
|------------------------------------------|------------------|--------------------|---------------|
| Beam angle                               | 120°             | FLUX per watt      | 100lm/W       |
| Brand                                    | Optonica         | Power Factor       | 0.9           |
| Color Code                               | 860              | IP                 | 65            |
| Color Designation                        | White Light (WH) | Energy Consumption | 20 kWh/1000h  |
| Correlated Color Temperature             | 6000K            | Power              | 20W           |
| Dimmable                                 | No               | Items per box      | 20            |
| Input voltage                            | AC220-240V       | Ra ≥               | 70            |
| Items per pack                           | 1                | On/Off Cycles      | 35 000x       |
| Life span                                | 25 000 Hours     | Flux               | 2000 lm       |
| Lumen maintenance at end of service life | 70%              | Protection Class   | II            |
| Operating Frequency                      | 50-60Hz          | Product Code       | SL20-A1       |
| Temperature                              | -30°C / +50°C    | EAN Code           | 3800156691711 |
| Warranty                                 | 2 Years          | Power LED          | 20W           |
| Instant On                               | 0.2s             | Size of product    | 300x105x50 mm |
| Material                                 | Aluminium        | Wattage Equivalent | 126W          |
| Energy Efficiency Label                  | E                | Light Color        | Luz blanca    |
