### Proyector Magnético LED M20 Track

Power

10W

Light color

Blanco cálido

### Technical Specification

|                                          |                 |                     |                |
|------------------------------------------|-----------------|---------------------|----------------|
| Beam angle                               | 120°            | Flux                | 800 lm         |
| Brand                                    | Optonica        | Wattage Equivalent  | 60W            |
| Dimmable                                 | No              | Life span           | 25000h         |
| Energy Consumption                       | 10 kWh/1000h    | Instant On          | 0.1 s          |
| Items per pack                           | 1               | Temperature         | -20°C/ +40°C   |
| Lumen maintenance at end of service life | 70%             | IP                  | IP20           |
| Power                                    | 10W             | Material            | PC+ALU         |
| Ra ≥                                     | 80              | Operating Frequency | 50 Hz          |
| Warranty                                 | 2 Years         | Size of Box         | 405x335x225 mm |
| Color Code                               | 830             | Size of package     | 320x73x38 mm   |
| Correlated Color Temperature             | 3000K           | Product Code        | LN10-A4        |
| Energy Efficiency Label                  | F               | Input voltage       | DC: 48V        |
| Power LED                                | 10W             | Items per box       | 56             |
| Color Designation                        | Warm White (WW) | Size of product     | 300x22x25 mm   |
| FLUX per watt                            | 80lm/W          | EAN Code            | 3800156654174  |
| On/Off Cycles                            | 100 000x        | Light Color         | Blanco cálido  |

**Weight of Product**

380 gr.
